

Millennium Foundation of Kosovo: Chief Executive Officer

Want an exciting opportunity to help Kosovo improve the reliable and affordable supply of electricity and increase the transparency and accountability of government institutions? The Millennium Foundation of Kosovo (MFK) seeks to appoint a Chief Executive Officer (CEO) to establish the organisation and directly manage its programs and operational support functions. The CEO will serve as the primary representative of MFK in Kosovo to stakeholders, the MFK board, and the funders of the program, the Millennium Challenge Corporation.

This is an exciting and challenging opportunity – it requires an experienced leader with the capability to rapidly build an organisation, and lead the delivery of a program of work that will bring tangible benefits to citizens and organisations in Kosovo. The salary range for this position is €3,400 to €4,420 per month. To apply, email this address to request an Information Pack and Application Form: mfkapplications@adc.uk.com. Closing date for applications is 1st Nov 2017 at 17.00 (CEST).
